Apartment 24 — Cleaning

Site address: 24 Sample Street, Springfield
Client: Sample Client
Date of work: 8 Oct 2026
Prepared by: Sample Cleaning Co. · +1 555 0100
Report created: 8 Oct 2026, 04:55 UTC+02:00
Contents: 2 before/after pairs

Summary of work

Deep cleaning of kitchen, bathroom and living room. All surfaces degreased and disinfected.

Time sources: Device time — the phone's clock when the photo was taken in the app. Imported metadata — date stored in the photo file. Manual date — entered by the user. The UTC offset is shown when it is known.
Locations: GPS — measured by the phone at capture (± accuracy). Approximate — reduced accuracy, no exact address is claimed. Manual location and Project address — entered by the user, not measured. From file metadata — read from the imported file.
Times and places come from the device clock, file metadata or user input; they are not independently certified.
